

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTON  
AT TACOMA

ALASKA NATIONAL INSURANCE  
COMPANY,

Plaintiff,

v.

METRO METALS NORTHWEST,  
INC., et al.,

Defendants.

CASE NO. C17-5765 RBL

ORDER GRANTING DISMISSAL OF  
COUNTERCLAIMS WITHOUT  
PREJUDICE.

[Dkt. #49]

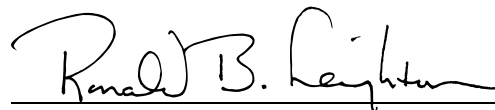

THIS MATTER is before the Court on Defendants' Motion to Voluntarily Dismiss (without prejudice) their counterclaims under Fed. R. Civ. P. 41(c), and for entry of a final, appealable judgment under Rule 58(d). [Dkt. # 49]. Plaintiff Alaska National does not oppose the motion, but it does seek dismissal *with* prejudice of any "bad faith" counterclaim based on conduct prior to the Court's October 11, 2018 Order [Dkt. # 48]. That Order determined that Alaska National's policies did not provide coverage and that it therefore had no duty to defend or indemnify Defendants in the underlying action (*Port of Vancouver, USA v. Metro Metals and Pacific Coast Shredding*, cause No. 17-cv-5571RBL).

1 Defendants argue that all dismissals should be without prejudice because none of the  
2 counterclaims were litigated. The Court agrees, though the Court's prior Order will necessarily  
3 have some impact on the viability of any bad faith claim.

4 The Motion for Voluntarily Dismissal is **GRANTED** and all of Metro Metals' and  
5 Pacific Coast Shredding's counterclaims are **DISMISSED without prejudice**. The clerk shall  
6 enter a final judgment consistent with this Order (and with the Court's prior Order) under Rule  
7 58. Alaska National may withdraw from the defense of the Defendants in the underlying action,  
8 effective October 11, 2018.

9 IT IS SO ORDERED.

10 Dated this 26<sup>th</sup> day of November, 2018.
